

Life After Cigarettes: Why Women Smoke and How to Quit, Look Great, and Manage Your Weight

By Cynthia S. Pomerleau

Hunter House. Paperback. Book Condition: New. Paperback. 168 pages. Dimensions: 6.8in. x 4.5in. x 0.2in. Women started smoking in huge numbers in the mid-20th century, thanks to massive campaigns by the tobacco industry. The result has been generations of smokers whose health has been compromised and whose lives have been shortened. This book helps women understand why they smoke, how to quit, and how to make sure they don't start again. Smoking cessation expert Cynthia Pomerleau emphasizes proven strategies that demystify this most potent and pervasive of drugs. She explains the effects of quitting, how to do so without gaining weight, and the use of support systems and the latest drug therapies. Featuring photographs and illustrations, the book is divided into four sections: What Every Woman Who Ever Smoked Should know (covering the why); Managing Weight and Looking Great (personal transformation after kicking the habit); Special Concerns (dealing with relationships, depression, and other causes for concern); and A Lifetime Perspective (inspirational tips for maintaining a smoke-free life). Additional readings and resources help keep readers on track. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
