

Nationalism and Justice for Social Out-Groups

By Chris L. S. Coryn

VDM Verlag. Paperback. Book Condition: New. Paperback. 80 pages. Dimensions: 8.7in. x 5.9in. x 0.2in. This book details a social psychological study of prejudice and moral exclusion. The author investigated whether participants, 47 non-Muslim U. S. citizens enrolled at a Midwestern university, considered Muslim Americans to be within their scope of justice, and whether principles of fairness, restitution, and corrective intervention would be applied to a stimulus Muslim family. Only about one-third of the sample indicated that the Muslim family fell within their scope of justice. Open-ended responses yielded three patterns: (1) threat and revenge toward the out-group; (2) concern with the rights of out-group members; and (3) disconnection from the out-group, along with ambivalence about justice issues. Although explicitly racist statements were detected, so too was a recognition of common humanity with out-group members. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
