THE CHIASM OF DANIEL AND REVELATION

ASPECT, United States, 2014. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The book you hold in your hands is unique among publications on biblical prophecy, for it looks at the books of Daniel and Revelation as if they were one book, written by God through two men who lived hundreds of years apart. The author, Allan Nueske, then folds that extended book in two and demonstrates with amazing clarity that the books, one from the Old Testament, and the other from the New Testament, are mirror images. This chiastic approach, which is a rhetorical practice that examines symmetrical patterns in prose, allows Daniel to simplify the confusing parts of Revelation, while Revelation brings the stories of Daniel into practical application for those of us who live in the last days of this earth's history. In this volume you will compare and contrast Daniel's old Jerusalem with Revelation's New Jerusalem. You will discover powerful comparisons between ancient Babylon and the spiritual Babylon of Revelation. As you read, you will feel the power of these comparisons. Your faith in the prophecies will be strengthened, and your walk with the Lord of creation will be empowered.
