Abingdon Press, United States, 2015. Paperback. Book Condition: New. Leaders Guide. 211 x 137 mm. Language: English . Brand New Book ***** Print on Demand *****.Discovering and embracing one s identity has proven to be a long, lonely, rough, and at times, dangerous road for today s teenagers. It s likely you ve chosen this study to use with your youth group because you care deeply and want the teenagers within your sphere of influence to find the answers to their identity questions in Jesus Christ. The I Am study is not a quick fix for your teenagers needs. It is a handcrafted tool that, when used by compassionate, caring, and committed adults, will ignite their imagination and excitement for whom their Creator says they are and the purpose for which they were designed. I Am will likely raise more questions than it answers, and that s intentional. Don t feel the need to make sure all the loose ends are tied up at the conclusion of your youth gathering. Allow your teens the opportunity to leave with ideas and truths on which to reflect and wrestle as they use the daily devotionals provided in the Groove: I Am Student Journal. The Groove Bible study series invites teens to learn the essentials of their faith, own their story, and engage the world in serving Jesus. Each topical study consists of four weekly sessions that are easy to lead and relate to life issues teens face. With up to 48 weeks available, Groove is great for Sunday and mid-week gatherings for both large and small groups as well as retreats. The leader guide contains everything needed to lead teens through a Groove study, including teaching outlines, leader notes, Bible background, reflections, and parent communication.
