paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 211 Publisher: Beijing Normal University Pub. Date :2011-06-01 version 1. Contents: Module 1 Introduction 1.1 1.1.2 Interchangeability and Standardization 1.1 Standardization and interchangeability of the basics of measurement error of 1.2 parts machining 1.2.1 machining error of the type of processing error 1.2.2 1.2.3 1.3 tolerance testing priority number and priority number system 1.3.1 1.3.2 priority number priority number system 1.4 Course 1.4.1 The nature and main course the nature and tasks 1.4.2 The course of learning in this module Summary Exercise 1 Module 2 measurement technology base 2.1 measurement basics 2.1.1 The measurement of basic concepts 2.1.2 Measuring objects 2.1.3 The unit of measure and value transfer System 2.1.4 gauge block commonly used in the basic knowledge of measuring instruments and measuring 2.2 2.2.1 2.2.2 Types of measuring instruments measuring instruments for measurement of basic technical indicators 2.2.3 2.2.4 Classification of measuring instruments measuring principle. the basic structure. function and use of the measurement error of 2.3 2.3.1 2.3.2 basics of error handling of the measurement error Summary Exercise 2 Module 3 Module smooth cylindrical tolerance...

Reviews

This written publication is wonderful. It really is loaded with knowledge and wisdom You will not really feel monotony at at any time of your time (that's what catalogues are for relating to if you ask me).

-- **Desmond Becker**

Absolutely essential go through publication. I am quite late in start reading this one, but better then never. You will not feel monotony at at any time of the time (that's what catalogues are for regarding if you ask me).
