DEATH AND TAXES

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Why didn't they just pay their damn taxes? That question is asked of many in the film and recording industry who make millions in profits yet fail to keep abreast of their tax liabilities. Such was the case with Krystal Jackson, multi-platinum selling songstress from Washington, D.C. who excels, but barely avoids jail on tax evasion charges. Fortunately she quickly comes to realize that a cousin with an accounting degree earned on line is not the person to be handling her millions in income, and she finally comes to terms with local and federal governments concerning her arrear taxes. Unfortunately, too many of her colleagues fail to realize that taxes are as certain as death, and some, worth millions on paper, find that their vast fortunes can buy little in the commissary of a federal penitentiary.
