Is wellness an elusive construct in this socially and materially polluted world? True wellness implies more than just being disease-free; it implies dimensions of the social, occupational, spiritual, physical, intellectual, and emotional realms. Every parable, in its own way, reflects some measure of wellness towards experiencing abundant life on earth and in the hereafter. Author Trevor Moorley presents this collection of poems to whet the wellness appetite, along with insightful prose readings that will provide endurance on your wellness journey. Authorities on wellness consider it an active process through which we can become aware of and engage in choices that will accentuate a more successful existence. *Wellness in the Parables through Meditative Poems and Prose* provides the motivation for this development. From cover to cover, it offers a veritable dialog that will ignite a renewed appreciation for the reason for living. The stimulating, thought-provoking, and sometimes revolutionary approaches unearthed in the parables only serve to inspire us to embrace life with a passion not to glorify self, but to serve others wholeheartedly for the glory of God. The teachings of Christ in the parables are as...
