CAPTURING A LOCOMOTIVE: A HISTORY OF SECRET SERVICE IN THE LATE WAR: GREAT CLASSICS COLLECTION

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.As the writer looked up from the manuscript page on a warm March afternoon of 1862, a very busy, and occasionally an amusing scene was presented. I was seated on a gentle, wooded slope which led down to the clear and quiet stream of Stone River, in Tennessee. Not being at that time on duty, I had strolled away from the tents which whitened the level fields above, and was passing an hour in the pleasant task of preparing war correspondence for the Steubenville Herald. Now and then I lifted my eyes to watch the work in progress a few yards farther down the stream. A large bridge, burned by the enemy on their retreat a few weeks before, was now being rapidly repaired, or rather rebuilt. The chief director of the work was General O. M. Mitchel, of astronomical fame, in whose division I then served. He was in every respect an able officer, and understood the construction of railroad bridges as well as observing the stars, or moulding raw recruits into veteran soldiers. But all his skill and science did not save him from becoming a little ridiculous at times. The Union soldier found no difficulty in loving his commander and laughing at him at the same instant. General Mitchel was now most impatient to complete this bridge, and thus maintain a northern line of communication, while he penetrated farther into the South. Being now, for the first time, possessed of an independent command, he wished to signalize himself by some great blow struck at the most vulnerable point in the enemy s line. He could, therefore, scarcely endure the necessary delay caused by burnt bridges,...
