Random House USA Inc, United States, 2011. Paperback. Book Condition: New. 193 x 132 mm. Language: English . Brand New Book. Sydney Taylor Honor Award Winner Black Radishes is a suspenseful WWII/Holocaust story, in which one boy learns what it means to be Jewish and French at a time when everything is changing. Gustave doesn't want to move from the exciting city to the boring countryside, far from his cousin Jean-Paul and his best friend, the mischievous Marcel. But he has no choice. It is March of 1940, and Paris is not a safe place for Jews. When Paris is captured by the Nazis, Gustave knows that Marcel, Jean-Paul, and their families must make it out of the occupied zone. And when he learns that his new friend Nicole works for the French Resistance, he comes up with a plan that just might work. But going into Occupied France is a risky thing to do when you are Jewish. And coming back alive? That is nearly impossible.
