What does this reality imply about the nature of God and the destiny of human beings? In this engaging book, Thompson asserts that fairness is not an expectation of the faithful within the Judeo-Christian Scriptures. Biblical narrative discloses the mystery of a paradoxical deity that indwells with the suffering of creation and thereby provides a mercy that exceeds the evasive goal of fairness. The process of healing and redemption of this cracked creation occurs through the tears and suffering of the biblical God whose authentic power is revealed within divine vulnerability and weakness. The Jesus of history truly manifested the fullness of this paradoxical God, for he disclosed the richness of the divine Being by emptying himself and taking the form of a redemptive servant. When the church grasps for power and control, avoids compassionate and costly ministries among the poor and powerless, and renders primary focus upon gaining heavenly rewards, it rejects its Christ-centered mission, relinquishes its paradoxical purpose, and ceases to strive toward becoming an extension of the incarnation. Thompson explores various paradoxical facets of each person of the Trinity and richly illustrates with stories from his vast experience as a parish theologian.
