

The Bhutto Murder Trail: From Waziristan to GHQ

By Amir Mir

Tranquebar Press/Westland Ltd, 2010. Hardcover. Book Condition: New. It is no longer important if I become the prime minister for the third time. What is important is that my country is in danger. So I had to return even if it meant risking my life. Benazir Bhutto, hours before she was assassinated in Rawalpindi. Drawing on personal anecdotes, meetings, off-the-record conversations with Benazir Bhutto, and the emails that he exchanged with her just before her death, Amir Mir brings us a carefully documented reconstruction of the assassination that rocked the world, the events leading to it, and its aftermath. His meticulously researched book is also a chilling exposé of the symbiotic relationship between Pakistan's formidable military and intelligence agencies, and the radical Islamic terrorist groups entrenched there. From the murky details of the election rigging cells that Bhutto was on the brink of exposing, inside information about her designated killers, the dubious security cover, the wanton destruction of evidence at the crime scene, the cover-up that began soon after the murder, the scapegoats, the arbitrary arrests and the compromised investigations, to the outright deceptions of various military top brass and even members of her own party, the book reveals it...

Reviews

Extensive information for book fans. It is written in basic words and never hard to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

This publication is great. It is full of wisdom and knowledge. You will not really feel monotony at any time of the time (that's what catalogs are for relating to when you ask me).
