ENVIRONMENTAL EDUCATION AND THE SCHOOL CURRICULUM

Institute of Education Press, United Kingdom, 2001. Pamphlet. Book Condition: New. 297 x 210 mm. Language: English . Brand New Book. This Viewpoint summarises the origins and goals of Environmental Education and the spaces it occupies in the curriculum of (mainly) English schools. EE is distinguished from environmentalism and links between EE and other adjectival educations are discussed, including moral education. As we shall see, EE is a relatively young, dynamic and very complex field, addressing matters that themselves often defy human understanding. It perhaps comes no surprise therefore that its curriculum status is ambiguous.
