The country of America has become both the land of the free loaders and the home of the criminal brave hearts. Spending American taxpayers money on the Federal welfare program and more Federal education hurts the US economy and the US Americans. Then, the highly educated politician gets his power and starts telling his people where to live, what to build, and what business can open or close, where his cash is sent for training, educating, and providing jobs and healthcare into his pocket for his family unit and social friends. So, there exists a social injustice for the taxpayers, the workers called Americans. The light shines brightly on the employed Americans, when the US government taxes the workers, creates a series of stupid jobs of nothing, and then pours the tax payers money into a set of empty schools. The US government is destroying the very heartland of capitalism in America. Thus, the US Federal Government quashes the US American freedom, creates dependency of citizens, and deters money investment in businesses, and bogs down US economic growth. All these actions lead to collapse. Americans, today, are economically illiterate, when they allow taxation of their hard working income, elect politicians,...
