*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

FRANCO-GERMAN RELATIONS

Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Franco-German Relations, Alistair Cole, Suitable for use as a core text in courses of comparative European politics or in departments of Politics. Can also be used for courses that explore the Political Dynamics of the European Union. Franco-German relations lie at the heart of European integration and are central to an understanding of major issues like monetary union and foreign policy. Based on extensive research, this concise text contains a multi-level analysis of this key topic. Describing historical background and examining contemporary debates, it considers the domestic settings of French and German politics; the internal operation of the Franco-German relationship itself; and the impact of the relationship in the wider European context. Cole provides students with a much-needed accessible introduction, and framework for theoretical analysis.
