SCORPIONS OF SOUTHERN AFRICA

To read **Scorpions of Southern Africa** eBook, you should click the web link below and save the document or have accessibility to additional information which might be relevant to SCORPIONS OF SOUTHERN AFRICA ebook.

Struik Publishers (Pty) Ltd. Paperback. Book Condition: new. BRAND NEW, Scorpions of Southern Africa, Jonathan Leeming, Although Southern Africa is one of the best places on earth to see and study scorpions, little information is generally available on these misunderstood and often persecuted creatures. "Scorpions of Southern Africa" is both a field guide to the identification of the more common and visible of Southern Africa's rich fauna of 130 scorpion species and a description of the physiology and ecology of scorpions. It dispels myths that portray scorpions as deadly venomous animals to be killed on sight, and offers an intriguing insight into the amazing adaptations that have enabled scorpions to survive over millions of years. Layman's terms are used as far as possible, and a glossary of more complicated terminology is provided. Distribution maps and photographs are given for over 50 Southern African species as well as practical information about where to look for scorpions and how best to handle these often feared creatures.
