

Industry and Trade: Volume I

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

INDUSTRY AND TRADE: VOLUME I

Cosimo Classics. Paperback. Book Condition: New. Paperback. 424 pages. Dimensions: 8.5in. x 5.5in. x 1.0in. British economist ALFRED MARSHALL (1842-1924) was one of the most prominent thinkers of his age, and his work influenced half a century of financial philosophy. Though the bulk of his work was completed before the turn of the 20th century, the global ramifications of World War I prompted him to reconsider his theories on international economics, and in 1919 he published the two-volume *Industry and Trade*. Here, in Volume I, he discusses . the relationship between trade and industry . the social and political issues that thwarted and encouraged industrialization in Europe and America . technical influences on industrial economies . problems arising from marketing and massive retail commerce . modern finance and business organization . and more. ALSO FROM COSIMO: *Marshall's Elements of Economics of Industry and Principles of Economics* This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
