This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

LEARNING AND MOBILISING FOR COMMUNITY DEVELOPMENT A RADICAL TRADITION OF COMMUNITY-BASED EDUCATION AND TRAINING

Ashgate Pub Co. Hardcover. Book Condition: New. Hardcover. 227 pages. Dimensions: 9.3in. x 6.0in. x 0.9in. Learning and Mobilising for Community Development introduces the reader to different ways of thinking about, and organising community-based education and training within different settings. Stories from the global south and north illustrate approaches to collective learning and collective action. The book provides not only an insight into the how-to of community-based education and training, but through a range of applications, demonstrates the often unspoken shadow side of the developmental work we undertake. The first section of the book outlines the key elements that underpin effective community-based education and training. It then locates community-based education and training within a broader pedagogical project, by tracing the tradition of transformative learning and education. The second half of the book focuses on stories and practice, distilling the application of theory and frameworks. The practitioners within this book emerge from unique and challenging contexts. From civil resistance in West Papua and youth empowerment in South Africa to financial freedom in Australia, these diverse experiences speak to a common quest for social change and justice. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Hardcover.
