

Leading Adult Learning: Supporting Adult Development in Our Schools

By Eleanor Drago-Severson

SAGE Publications Inc. Paperback. Book Condition: new. BRAND NEW, Leading Adult Learning: Supporting Adult Development in Our Schools, Eleanor Drago-Severson, 'Eleanor Drago-Severson takes hold of an important and neglected truth: students grow best in schools where the adults around them are growing, too. In this nurturing and much-anticipated work, the author shows us exactly how to make this happen. Sound theory, vivid examples, and, best of all, a practice-ready framework-it's all here! Anyone who cares about making our schools better will feel richly rewarded for spending time with this encouraging book' - Robert Kegan, Meehan Professor of Adult Learning and Professional Development, Harvard University Graduate School of Education, Coauthor of "Immunity to Change". 'With this comprehensive and compelling book, Eleanor Drago-Severson establishes herself as a leading authority on authoritative leadership in education' - Howard Gardner, Author of "Leading Minds". Support the growth and development of all adults - teachers, principals, and superintendents - in your school community! Educators at every level go through different stages of development over the course of their lives and need different kinds of supports and challenges to grow. "Leading Adult Learning" introduces a model of adult development that helps school and district leaders consciously cultivate...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

This publication is amazing. It is definitely basic but shocks in the fifty percent of your publication. You wont feel monotony at anytime of your own time (that's what catalogues are for concerning if you question me).
