Here s a quote from the author which describes the subject of the book: . .I gathered the top 20+ e-mail marketing tips available online and I after hard split testing, I am revealing them here. The author has put all his efforts to present really hot e-mail marketing tips that are not easy to find elsewhere. We believe he has done a great work. Other people would pay hundreds of dollars to get these tips from some type of internet marketing expert(s) or by joining some expensive marketing session(s) or mastermind group(s). But now, thanks to Lazaros (he has all the connections), we are proud to present you some really unexpected and super-power e-mail marketing tactics that could boost your click-through-rate and open-rate of your e-mail campaigns to unimaginable levels! We gave this book to a few experienced mailing list owners and here s what they told us: 1. . .wow I was totally impressed by these strategies. I have already put some of the tactics to test and I am so confident that the results will be amazing. I believe you have opened my eyes in a way.
