Reviews

A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

(Mrs. Jacquelyn Gutmann)

THE LAST GREAT SENATE: COURAGE AND STATESMANSHIP IN TIMES OF CRISIS

PublicAffairs, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Steven R. Weisman, Author of The Great Tax Wars "With his gift for lively narrative and vivid character study, Ira Shapiro brings to life a forgotten, unappreciated and surprisingly productive period of modern political history, when the Senate served as a "national mediator" for the great issues of the day. The Last Great Senate is peopled with great personalities, from Ted Kennedy to Scoop Jackson to Hubert Humphrey, and from Howard Baker to Jack Javits and Bob Dole. It is bound to become a classic in the field of studies of how legislation is made, presidencies are unmade and results flow from calculation, courage and determination to rise above the fray in times of economic and national security crises." Madeleine K. Albright, U.S. Secretary of State, 1997-2001 "By reminding us of what the U.S. Senate was, Ira Shapiro awakens us to what this increasingly shaky pillar of American democracy still could be. In so doing, he gives us not only a riveting historical account, but also a prescription of how to restore health to our political system and true patriotism to public debate." Publishers Weekly "In his chronicle of Beltway politics, Shapiro's excellent account of wise, capable U.S. senators putting constitutional concerns over party and ideology to do the people's business is a prime example of how Washington can overcome its present deadlock." Library Journal "Shapiro's thorough analysis and background stories of these senators remind readers that the Senate once worked despite partisanship. Readers interested in political science and government history will enjoy the author's engaging style and historical perspective." Boston Globe "A sharply focused and instructive look back at the institution's bipartisan achievements of the late 1970s. The Senate that served during the...
