

Futurecast: How Superpowers, Populations, and Globalization Will Change Your World by the Year 2020

By Robert J Shapiro

St Martin s Press, United States, 2009. Paperback. Book Condition: New. 232 x 154 mm. Language: English . Brand New Book ***** Print on Demand *****.What will life be like in America, Europe, Japan, and China in the year 2020? As the world grows increasingly interconnected and inter-related by globalization, economic crisis and new technologies, the answer to this important question depends largely on the paths taken by the world s major nations. In Futurecast, Robert J. Shapiro, a man world leaders and heads of industry look to for straight talk on the global economic, political and financial affairs, sketches the future with a critical eye to tell us what our world will really be like over the next decade. In this brief time, he foresees monumental changes caused by three historic new forces globalization, the aging of societies, and America s role as a sole superpower with no near peer that will determine the paths of nations and the lives of countless millions. The U.S. and China will be the world s two indispensable economies, dominating the course of globalization. Globalization will continue to shift heavy manufacturing and millions of high-end service jobs from advanced countries like the U.S.,...
