

Soft Rain: The Story of the Cherokee Trail of Tears

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.

(Mitchell Kuhn III)

Bantam Doubleday Dell Publishing Group Inc, United States, 1999. Paperback. Book Condition: New. 190 x 132 mm. Language: English . Brand New Book. It all begins when Soft Rain s teacher reads a letter stating that as of May 23, 1838, all Cherokee people are to leave their land and move to what many Cherokees called the land of darkness. . .the west. Soft Rain is confident that her family will not have to move, because they have just planted corn for the next harvest but soon thereafter, soldiers arriveto take nine-year-old, Soft Rain, and her mother to walk the Trail of Tears, leaving the rest of her family behind. Because Soft Rain knows some of the white man s language, she soon learns that they must travel across rivers, valleys, and mountains. On the journey, she is forced to eat the white man s food and sees many of her people die. Her courage and hope are restored when she is reunited with her father, a leader on the Trail, chosen to bring her people safely to their new land. Praise for Soft Rain: An eye-opening introduction to this painful period of American history. --Publisher s Weekly The characters themselves transform a sorrowful story of adversity into a tale of human resilience. --Kirkus Reviews This gentle child s-eye view will move readers enormously. --Jane Yolen.
