When Rhonda Dilbert's young son is diagnosed with cancer, she turns to the internet for support and guidance. Finding little information, she decides to chronicle her son's journey in an online journal to provide help for others who might one day walk a similar path. From diagnosis to the eventual heart-breaking decision to end treatment, Dilbert shares her story with courage, grace, laughter, and tears. Little does she know that during his final months, four-year-old Jonathan will unveil an amazing message of his own. Funny, heartwarming, and inspiring, this remarkable story reminds us of the joy in everyday life and the peace and comfort that comes from afar. Perhaps that was the plan after all.
