Reviews

This ebook could be worthy of a read through, and far better than other. I am quite late in start reading this one, but better then never. I realized this publication from my dad and i advised this publication to learn.

(Stefan Von)

DESCARTES WAS RIGHT! SOULS DO EXIST AND REINCARNATION PROVES IT: A CHALLENGE TO RETHINK DUALISM

Trafford Publishing, Canada, 2010. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Challenge the scientific denial of the soul s existence with a book that proves that the brain is not the sole explanation behind human thought and behavior. Casimir J. Bonk, a longtime engineer and student of metaphysics, has found physical scientific evidence of the nonphysical soul through his investigations of reincarnated subjects who can recall experiences from previous lives. Discover why Descartes Was Right! Souls Do Exist and Reincarnation Proves It. For instance: Dr. Ian Stevenson and others have shown that reincarnated subjects can recall details from past lives, proving that the brain is not the prime location of memory. If memory were physical, it would cease upon death. By contrasting metaphysical views of the world with scientific theories, an original description of human duality explains the true nature of humanity. Using an engineer s approach, uncover how the brain really works and why science fails to explain the memories of the reincarnated. Close the gap between the physical and nonphysical worlds and answer the questions about human nature that have haunted the world forever in Descartes Was Right! Souls Do Exist and Reincarnation Proves It.
