By Dr Sharon M Ravitch

Sage Publications, Inc, United States, 2015. Hardback. Book Condition: New. 229 x 185 mm. Language: English . Brand New Book. We offer these texts bundled together at a discount for your students. Ravitch: Qualitative Research Focused on developing the theoretical, methodological, and conceptual knowledge needed to engage in rigorous, valid, and respectful qualitative research, this introductory text presents the field of qualitative research in a unique and meaningful way. The book helps readers understand what the authors call criticality in qualitative research by communicating the foundations and processes of qualitative research with clarity and simplicity while still capturing its complexity. Packed with real-life examples of questions, issues, and situations that stem from the authors and their students research, the book humanizes the qualitative research endeavor, illustrates the types of scenarios that arise, and emphasizes the importance of actively considering paradigmatic values throughout every stage of the research process. In every chapter, the authors illustrate the qualitative research process as decidedly ideological, political, and subjective using themes of criticality, reflexivity, collaboration, and rigor. Creswell: 30 Essential Skills for the Qualitative Researcher 30 Essential Skills for the Qualitative Researcher fills a gap in introductory literature on qualitative inquiry by providing practical how-to...
