Hoffacker Associates LLC, United States, 2013. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Business Planning Made Simple: Creating A Strategic Guide For Your Success Journey is an important book that many salespeople and business owners need to read and use. It takes you through your business in a series of steps designed to get you to look at, question, and answer for yourself as to why you do what you do, why you opened your business, how you fill a need, what it takes to keep you going, your market position, resources you need to acquire or use, personnel you need to help you, your business model for making decisions, your vision and mission, your goals and objectives, and other key aspects of your business. This is not a boilerplate or fill-in-the-blanks template approach to writing a business plan. Neither is it intended to be an in-depth financial analysis or prospectus. It is designed for you to create a very simple, compelling, day-to-day guide for running your business and being a success in what you do. Write it in your own words. It is your guide - no one else's. Keep this book handy until you write your plan. Then keep your plan as a ready reference to be the guide that it is meant to be. The reason more businesspeople do not have a written plan is because they don't know how to approach it or what it should look like when it's done. Many simply don't commit the time to prepare one because they don't understand the benefits of the planning process. Those questions and more are answered for you here. This book covers the essentials of business planning in 10...
