HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The Big House: The Story of a Country House and Its Family, Christopher Simon Sykes, The highly praised biography of an archetypal great house and the family who lived there for over 250 years. 'The Big House' is the biography of a great country house and the lives of the Sykes family who lived there, with varying fates, for the next two hundred and fifty years. Their son, Mark, died suddenly whilst brokering the peace settlement at the Paris Peace Conference at the end of World War I; Sledmere was destroyed by fire shortly afterwards. But the rebuilt Sledmere rose from the flames to resound again with colourful, brilliant characters in the 1920s and 1930s including the author's grandmother, Lily, who had been a celebrated bohemian in Paris. 'The Big House' is vividly written and meticulously researched using the Sykes' own family's papers and photographs. In this splendid biography of place and time, Christopher Simon Sykes has resuscitated the lives...
