Hindu Logic as Preserved in China and Japan Volume 4

By Sadajiro Sugiura

TheClassics.us. Paperback. Book Condition: New. This item is printed on demand. Paperback. 30 pages. Dimensions: 9.7in. x 7.4in. x 0.1in.This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1900 edition. Excerpt: . . . PART I. HISTORY OF THE DEVELOPMENT OF HINDU LOGIC. Chapter I. Development Of Logic In India. 2. akyds Date. --In curious contrast to the ancient Hindus love of subtle subdivision stands his failure to appreciate the value of dates. Chronological obscurity1 in the records of Hindu literature, religion and philosophy is the greatest obstacle that lies in the way of our present investigation, and whatever traces there may have been of an historical development in the Hindu originals, these are completely lost in the Chinese and Japanese translations. Hence we can get no pure history of the Hindu people and their civilization from these sources. We must rest content with a few myths which the Chinese and Japanese monks have handed down from Hindu tradition and have embodied in their work. Yet I do not regard it as entirely hopeless to arrive at some...

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.
-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
