AUTHORHOUSE, United States, 2009. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.The fallout solution is the third volume in C. Descry s cycle of novels that includes The Daughters of Onoto and The Brothers Shikoku. Together, this spy trilogy comprises a thrilling story set in the the formative years of the 70s. The corruption of nations, evil as religious fervor, a supranational cartel, competing covert government agencies, the drug trade, and the rise and fall of ruthless corporations are exposed. David Dean finds that no matter what he does or how he protests he is a major player in a contest for world power. Dean s travels from Pakistan to Iran and the beauty of Persepolis, and his mad dash for Istanbul, put him in a position to expose evil. His life is worthless unless he can get to Israel and the protection of the Mossad. I learned things I never wanted to know. I have been used by governments and forces competing on levels I can not fully fathom. Let me go back and teach the lies we tell about ourselves and our nation. No one wants to know what I learned.
