Who Touched Me?

By Walter Harvey

Xulon Press, United States, 2008. Paperback. Book Condition: New. 224 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.The unnamed woman who had an issue of blood for twelve years is one of my biblical heroes because she illustrates that in spite of physical or sexual brokenness, Jesus touch can make me whole. That woman inspired me to write this book because so many people have been touched by life and it has left them broken and desperate. Some simply wanted an affirming hug, or a touch that communicated self-worth and value. Instead, they may have turned to sex and perhaps may still today carry the fingerprints of that action. If you want to get the fingerprints off your soul then you are reading the right book. Reverend Walter Harvey is the founder and president of Walter Harvey Ministries, Inc., an international ministry dedicated to communicating the message of the kingdom of God with creativity, practicality and power. He is the Senior Pastor of Parklawn Assembly of God in Milwaukee, Wisconsin. He is married to Judy (Martin) Harvey. They are the proud parents of one son, Nicholas.
