

## Indian Tax Administration: A Dialogue

Filesize: 4.06 MB

### ***Reviews***

*This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## INDIAN TAX ADMINISTRATION: A DIALOGUE

Orient BlackSwan, New Delhi, India, 2013. Hardcover. Book Condition: New. Dust Jacket Condition: New. Born out of a first-of-its-kind series of discussions between tax officials and practitioners, Indian Tax Administration: A Dialogue identifies and addresses challenges facing India as it contemplates tax reforms. Both, the dialogue and A Dialogue, have been organised by eminent tax policy analyst Parthasarathi Shome whose recommendations on tax administration policy have been included not only in Indias Ninth and Tenth Five-Year Plans, but also in more than thirty countries where he has given technical assistance in taxation. This volume gives detailed analyses of the organisational structure, risk assessment and management in audit selection, dispute resolution and computerisation of both Direct and Indirect tax administrations. An investigation into the newly-established Large Taxpayer Units and a statistical study of the effectiveness of Value-Added Taxes of state administrations render it a broader appeal. Presenting successful models from across the globe, A Dialogue composes a veritable picture of tax reform for India to keenly consider. Printed Pages: 348.
