It is one of the most popular ebooks. It usually fails to price an excessive amount of. It has been printed in an extremely basic way in fact it is merely right after I finished reading through this book in which it really altered me, change the way I believe.

White Cloud Press. Paperback. Book Condition: new. BRAND NEW, The Quest: A Tale of Desire and Magic, Heather Strang, Think true love and spirituality can't be hot? Think again. For 30-year-old Kathryn Casey, merging the two has developed into a lifelong quest. A mind-blowing psychic prophecy sends Kathryn on a journey that melds meditation and wine, the Amazon and New Zealanders, hot sex and dark chocolate, and psychic healings complete with strappy sandals. The Quest delves into the core of one woman's search for great love. This novel follows Kathryn throughout rainy Portland, OR, as she attempts to capture what she desires most, while avoiding the treacherous pitfalls of self-sabotage. When Kathryn assumes she's found "The One" prophesized to enter her life, the Universe works tirelessly to bring her experiences and synchronicities that force her to think for herself. Along the way, she's visited by new and old friends alike who remind her that finding "The One" requires deeper insight into the self. Armed with this knowledge, Kathryn makes a shocking discovery that forces her to reconsider everything she thought to be true -- from her lifelong quest to her desire to bypass motherhood.
