

Naval Hygiene (Classic Reprint)

By James Chambers Pryor

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Naval Hygiene This work is offered to those members of the medical profession whose path of duty lies on the trackless seas with the hope that the author s effort to supply a want will offset any short-comings on his part. Experience in teaching naval hygiene at the U. S. Naval Medical School has demonstrated to the writer the need of a student s manual of elementary character, hence this attempt to supply it. To prepare a guide to a subject so comprehensive and so important in its bearing upon the welfare and efficiency of a naval personnel requires knowledge derived from actual extended service at sea. Experience gained from years of naval service in all parts of the world has given the writer an advantage over fellow-students who have not lived afloat, and this leads him to hope that the work may find favor not alone as a guide, but as an incentive to further study of the maintenance of health and improvement of living conditions afloat. None appreciates more than the writer the...
