Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.As the practice manager of a local clinic, Jessica Daniels, is coping with her new co-worker Doctor Andreas Konstantinou - but only just - and it opens her eyes to her emotional well-being. Hurt during a work romance and vowed never again to mix business with pleasure, the good-looking Greek Cypriot doctor is a distraction Jessica could do without. After a celebratory drinks evening with his new colleagues Andreas confesses his pleasure; he loves a pretty feminine leg in a heeled shoe. Although not a fetish, it is something he learned to appreciate as a young lad. Jessica takes a close look at herself and realises she is dowdy and has neglected her life. A new pair of high-heeled shoes, a change of clothing, a new job and a seminar in Cyprus all alter her pathways and she sees the doctor in a new light. Unfortunately, they always find a way to hurt each other and love never quite grasps their secret love for one another. Three medical events bring them together, but Jessica is still unwilling to let loose her love for Andreas until a pair of shoes and a kitten persuade her otherwise.
