The Best Consumer Guide to Saving Money on Car Insurance. Period. As a licensed insurance agent, I led my company as the 1 producer in the NATION for five consecutive quarters. I've sold thousands of car insurance policies in over 30 different states. Read my book before your next renewal. You have nothing to lose but your overpriced policy. Knowledge is money in your pocket, because the more you know about how the rating process works, the less you will pay. You are looking for information that will help you save your hard-earned dollars, and you have found it. The eBook version of this guide contains over 40 working internal and external hyperlinks, and it is one of the best-formatted non-fiction books you will find anywhere--check out the sample. Ten Questions is not a book for dummies, but it is an easy to use, engaging, and informative guide, specifically designed to help save you money. It is absolutely guaranteed to do just that. If you do not find any benefit in...
