CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 128 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Welcome to our story. The doctor uttered the words, He has PSP, and those words would forever change our lives. What in the world is PSP We left the doctors office in shock. We had waited years for a diagnosis, now what My father who has now ended his journey with PSP is finally at peace. My mother tells me she misses the little things like the secret looks, the touch of his hand, a hug, and spending time together. In essence, she misses the connection. My father was a graduate of the University of Florida in Gainesville, with a Bachelor of Science in Electrical Engineering. He was kind and intelligent and he loved to travel, and he spent four years in the Navy during the Korean War, and he was first and foremost a family man. After the balance problems started, he began to do this little shuffle with his feet, we would ask him what this new little dance was and he would simply say, I dont know. The slow downward spiral had begun; we just didnt know it. My mother, Donna Shaw, wrote this book to give people hope. She wrote the book over the last year, after my father passed away from PSP, Progressive Supranuclear Palsy in October of 2012. The book commemorates my fathers life as well as the experiences we all went through struggling to come to terms with terminal illness. Caregiving, whether or not you are caregiving for someone who has a terminal illness or not, is a very difficult process, a process in which one needs support. This journey you are about to embark on comes from the heart. Caregiving...
