

Semi-automatic CO2 gas shielded welding processes based ship workers Training Series

By -

paperback. Book Condition: New. Ship out in 2 business day, And Fast shipping, Free Tracking number will be provided after the shipment. Pages Number: 112 Publisher: Harbin Engineering University Pub. Date :2007-02-01 version 1. This book of semi-automatic CO2 gas shielded welding made a more comprehensive, popular and common-sense presentation. Main content of semi-automatic CO2 gas shielded welding principles, characteristics and applications; its metallurgy, welding materials and auxiliary materials; welding equipment, maintenance and troubleshooting; CO2 gas shielded semi-automatic welding process parameters and various metal materials, welding technology, welding quality and safety technology. This book can be used as induction and reorientation of welder training materials, but also as engaged in welding engineering and management personnel to implement CO2 gas shielded welding of high-level practical textbooks. Contents: Chapter 1 semi-automatic CO2 gas shielded welding principle of Chapter 2. CO2 gas shielded welding metallurgy of welding material in Chapter 3 and Chapter 4. other supporting materials CO2 gas shielded arc welding equipment. Chapter 5. CO2 gas shielded arc welding process parameters 6 Chapter 7. Chapter welding some metal CO2 gas shielded welding Chapter 8. CO2 gas shielded welding weld quality problems in a number of Chapter 9 of CO2 gas shielded arc welding...

Reviews

This publication is very gripping and intriguing. It is among the most awesome book we have go through. You can expect to like how the author compose this book.

-- Dr. Malika Bechtelar II

This ebook might be worthy of a read, and superior to other. It usually does not charge an excessive amount of. Once you begin to read the book, it is extremely difficult to leave it before concluding.
