### ***Reviews***

*A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).*

Bloomsbury Publishing PLC. Paperback. Book Condition: new. BRAND NEW, At Hawthorn Time, Melissa Harrison, Four-thirty on a May morning: the black fading to blue, dawn gathering somewhere below the treeline in the east. A long, straight road runs between sleeping fields to the little village of Lodeshill, and on it two cars lie wrecked and ravished, violence gathered about them in the silent air. One wheel, upturned, still spins. Howard and Kitty have recently moved to Lodeshill after a life spent in London; now, their marriage is wordlessly falling apart. Custom car enthusiast Jamie has lived in the village for all of his nineteen years and dreams of leaving it behind, while Jack, a vagrant farm-worker and mystic in flight from a bail hostel, arrives in the village on foot one spring morning, bringing change. All four of them are struggling to find a life in the modern countryside; all are trying to find ways to belong. Building to an extraordinary climax over the course of one spring month, *At Hawthorn Time* is both a clear-eyed picture of rural Britain, and a heartbreaking exploration of love, land and loss.
