Outskirts Press, United States, 2013. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.I m just searching for myself in a little time capsule that remodels itself with each spring that passes by, and I know I m buried with questions that outnumber the answers, but I can t find myself the further I dig. Devonte. My first poetry collection Little Time Capsule captures the most self-reflecting and introspective poetic moments of my young adulthood. In weeding through my old journals and napkin scribbles and online posts to gather enough material for this book, I put together a compilation that I m hoping will make people smile and want to re-read over and over again. Within these pages are twenty-three unique poems delving into everything from my father s sudden passing to my struggles accepting myself as an LGBT youth and much more. I began writing in the eighth grade after our teacher asked my class to create a poem using our vocabulary words for that week. No one volunteered to read his to the class, so I did mine and got a good reaction. I never forgot how it felt the first time I strung words together to create what sounded like music in my head. I like cleverness and flashiness to poetry. I like writing in different styles. I love the challenge of wowing an audience and giving myself something cool to read later on. The poetry in Little Time Capsule was written over a span of nearly 10 years, roughly from 2003 to 2013 with the earliest poem being It, my personal favorite out of this bunch and the latest being Crystal Compass, which best depicts my state of mine before I decided to publish. I narrowed...
