Simon & Schuster. Paperback / softback. Book Condition: new. BRAND NEW, The Way Home, Cindy Gerard, "New York Times" bestselling author Cindy Gerard's novel about a soldier's wife and a daring rescue mission is "smart, romantic, exciting, and so emotionally satisfying" (#1 "New York Times" bestselling author Robyn Carr). Killed in Action--the most dreaded words imaginable for a soldier's wife. Jess Albert has been living with them for four years, since the death of her husband in Afghanistan. Finding blessed numbness in routine, she doesn't dare to look ahead, any more than she can bear to look back. Then Tyler Brown, a former special-ops warrior, shows up at her small general store in Minnesota North Woods, jarring her back to life. Jess knows better than to fall in love with another man who places duty to his country before love of his wife--but there's no denying the longing and the hope for a future that Ty makes her feel. A world away, a lost American soldier clings to life and sanity in a lantern-lit cave. At his side is a dark-haired and dark-eyed woman whose touch is caring, despite the resentment he hears in her voice and sees on her face. But is it honor igniting her compassion for her enemy, or is it something more? A heartwarming, richly emotional, action-packed story about homecomings, "The Way Home" follows two women on opposite sides of the world. While they both walk a dangerous path between betrayal and honor, they each must find for themselves where to draw the line between duty and love.
